Western Atlas Resources appoints David Laing as Corporate Development and Technical Advisor

Not for distribution to U.S. news wire services or dissemination in the United States

VANCOUVER, BRITISH COLUMBIA (December 20, 2018) - Western Atlas Resources Inc. ("**Western Atlas**" or the "**Company**") (TSXV: **WA**), is pleased to announce that it has appointed David Laing as Corporate Development and Technical Advisor.

Most recently Chief Operating Officer (COO) of Equinox Gold, David is a mining engineer with an extensive experience in the mining and banking industries including mining construction and operations, engineering studies, mining finance, investor relations, mergers and acquisitions, and corporate development. Prior to Equinox Gold, David was the COO of True Gold Mining which developed a gold heap leaching operation in West Africa and COO and Executive VP of Quintana Resources Capital, a base metals streaming company. He was also one of the original executives of Endeavour Mining, a gold producer in West Africa. David currently serves as Director of several publicly listed companies including Fortuna Silver Mines and Sandspring Resources. Prior to these recent roles, David held senior positions in investment banking and debt advisory at Endeavour Financial, Standard Bank in New York, technical consulting at MRDI in California, the Refugio Project at Bema Gold Corp., and has held various roles at Billiton with operations in Peru, South Africa, and northern Chile.

"I am very pleased to announce the appointment of David Laing," said Fabio Capponi, Chief Executive Officer of Western Atlas. "David has an exceptional and successful background and his appointment is a strong testament to our company's vision. David brings extensive experience in global resources and mining capital markets. I look forward to working with David on developing and implementing Western Atlas's future growth strategy."

About Western Atlas

The Company is publicly listed on the TSX Venture Exchange under the symbol WA. Western Atlas is focused on the acquisition and development of scalable precious metals projects in premier mining jurisdictions. Western Atlas's wholly-owned subsidiary, 5530 Nunavut Inc., which was incorporated under the laws of Nunavut, and registered under the *Business Corporations Act* (Northwest Territories) on November 24, 2016, holds its interest in the Meadowbank and the Committee Bay mineral properties located in Nunavut, Canada.

Cautionary Statement Regarding Forward-Looking Information

This news release includes certain “forward-looking statements” under applicable Canadian securities legislation that are not historical facts. Forward-looking statements involve risks, uncertainties, and other factors that could cause actual results, performance, prospects, and opportunities to differ materially from those expressed or implied by such forward-looking statements. Forward-looking statements in this news release include, but are not limited to, statements with respect to the Company’s objectives, goals or future plans; the receipt of the requisite approvals with respect to the business and operations of the Company. Forward-looking statements are necessarily based on a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties and other factors which may cause actual results and future events to differ materially from those expressed or implied by such forward-looking statements. Such factors include, but are not limited to: general business, economic and social uncertainties; litigation, legislative, environmental and other judicial, regulatory, political and competitive developments; delay or failure to receive board, shareholder or regulatory approvals; those additional risks set out in Western Atlas’s public documents filed on SEDAR at www.sedar.com; and other matters discussed in this news release. Although Western Atlas believes that the assumptions and factors used in preparing the forward-looking statements are reasonable, undue reliance should not be placed on these statements, which only apply as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. Except where required by law, Western Atlas disclaims any intention or obligation to update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.
